## LETTER of REFERENCE

Hereby we confirm, that the Company PPHU REMKOR headquartered in Belchatow (Poland) carries out corrosion protection and coatings of constructions by means of HEMPEL techniques.

In our opinion based on our experience the staff of the company PPHU REMKOR has a very good preparation and knowledge to lead coating works surface preparation and application of HEMPEL systems.

All the works are carried out carefully and at profesional level.

The staff of REMKOR has been trained by our company several times for corrosion protection application.

Best Regards,

Technical Manager

Marek Puczarski
